Commissioner for Patents  
P.O. Box 1450

Dear Sir:

On September 22, 2003, the Examiner contacted Applicants' undersigned representative and informed him that the above-captioned application would be allowed if claims 47, 56-57 and 90-93 were canceled by Examiner's Amendment. The Examiner indicated that a further search would be required before she could opine on the patentability of these claims. Applicants agreed to cancel these claims in order to expedite issuance of the remaining claims. However, Applicants reserve the right to present the canceled claims in a continuing application.

Respectfully submitted,

Date: 10/10/03
